Some things going on; And I'm not saying your to blame
I know I'm not your girl, I know your not my man
But some things wrong, I can't explain

After the waste of time, love lets keep it plain (Don't
wanna play)
Cause boy I'm grown and ya, damn near twice my age
So tell me what's happening

So let me know just why i'm feeling strange
Just let me know boy if your feelings changed
Because I feel the way I feel, And I wont let it go until
You let me know cause it ain't feeling the same

Chorus

It's gone-eeeeeeeeeeeeeeeeeeee
Along with games the cars the lies, the thrill is gone
So gone-eeeeeeeeeeeeeeeeeeee
Though it was fun but now we're done the thrill is done

Was is it just chase, You acting like you need some
space
Perhaps it was the fact, you want what you can't have
And I won't let you get your way
Why do you pick me up just to cast me away (the love I
gave)
Never quite enough, you really got me stuck
I need for you to set it straight.

But let me know just why i'm feeling strange
Just let me know boy if your feelings changed
Because I feel the way I feel, And I wont let go it until
You let me know cause it ain't feeling the same

Chorus

It's gone-eeeeeeeeeeeeeeeeeeee
Along with games the cars the lies, the thrill is gone
So gone-eeeeeeeeeeeeeeeeeeee
Though it was fun but now we're done the thrill is done

Cee-Lo (Rap)

A cocktail keeps me company
While the piano man plays one for me
So similar situation must've sent you
Cause this is too cool to be coincidental

And Oh yes let's not forget
You look like been dipped in hot chocolate
And I means lots of it
So instead of stay we did the opposite
At a red light but I didn't stop for Sh*t!

It's cool, I don't kiss and tell
Oh lord, you don't listen well
It's pleasure...Pains not in my planning
Damn I thought we had a understandfing

Chorus

It's gone-eeeeeeeeeeeeeeeeeeee
Along with games the cars the lies, the thrill is gone
So gone-eeeeeeeeeeeeeeeeeeee
Though it was fun but now we're done the thrill is done
