Talking

I'm not goin beg you

Ooh ooh i say you just not actin right

(Verse1)

Everytime I need someone to be there when

I was having me one of those crazy days

I Ain't Goin Beg you

Everytime want someone to treat me right

They always say they're gonna treat me right

I ain't goin beg you

(hook)

I left your side before

But I see you ain't goin learn

So you like to play with fire, then i'm gonna let us burn

Boy you ain't nothin

Go ahead, my love is

The last time was the last time,

So im through with you.

(chorus)

No i ain't goin beg you no more

Im sick and tired of waiting ,don't know

What I'm waiting for

Cause you know that you don't treat me

Like you should

When you know I'm the coldest thing up out

This hood

No i ain't goin beg you no more

And if your not down with it ,

Baby there's the door

Im usually not the type to just lay it

And quit

But a lot of men would get with this

So I ain't goin beg you No more

(verse2)

Everytime I wanna be wined and dined

Taken out on a Friday night

To spend a little time

I aint goin beg You

Everytime i need some huggin and lovin

But it's late and I don't get nothing

(hook)

Chorus)

(bridge)

Now i'm through with being patient
I ain't here for ou just to come and take it
To me (take it to me)
You took it all for granted
All the good lovin and the freaky stuff all gone
If that's how you is ,take your lame, old ,tired
Excuses,somewhere else
Cause you're weak and i don't wanna hear it
Stay away cause I don't want to be near it
Cause I movin on without YOOUU

(chorus)

Ain't goin to beg you to Love me
Ain't goin beg you to hold me
Ain't goin beg you and pick me up and take me out
Ain't goin beg you to ice me
Ain't goin t beg you to wife me
I'm Tired (until fade)
