You know, I'm not gone beg you  
I just see, you ain't been actin right  
Listen...

[Verse 1:]

Everytime I need someone to be there when I had me  
one of them crazy days  
(I ain't gon' beg you)  
Everytime I want someone to treat me like  
They always said they were gonna treat me like  
(I ain't gon' beg you)

[Hook:]

Cause I let you slide before  
But I see you ain't gon' learn  
Since you like to play with fire then imma let us burn  
(Boy you) ain't nothin'  
(Gon' miss) my lovin'  
Last time was the last time so I'm through with you

[Chorus:]

No I ain't gon' beg you no more  
I'm sick and tired of waitin' don't know what I'm waitin'  
for  
Cause you know you don't treat me like you should  
When you know I'm the coldest thing about this hood  
No I ain't gon' beg you no more  
And if you not down with this then baby there's the door  
I'm usually not the type to just lay it down and quit  
But a lot men would get with this  
So I ain't gon' beg you no more

[Verse 2:]

Everytime I wanna be wined and dined  
Takin out on a friday night to spend a little time  
(I ain't gon' beg you)  
And everytime I need some huggin' and some lovin'  
But it's late and I don't get nothin'  
(I ain't gon' beg you)

[Hook:]

Cause I let you slide before (let you slide before)

But I see you ain't gon' learn (see you ain't gon' learn)  
Since you like to play with fire then imma let us burn  
(Boy you) ain't nothin'  
(Gon' miss) my lovin'  
Last time was the last time so I'm through with you

No I ain't gon' beg you no more  
I'm sick and tired of waitin' don't know what I'm waitin'  
for  
Cause you know you don't treat me like you should  
When you know I'm the coldest thing about this hood  
No I ain't gon' beg you no more  
And if you not down with this then baby there's the door  
I'm usually not the type to just lay it down and quit  
But a lot men would get with this  
So I ain't gon' beg you no more

(Ooh) Said I'm through with being patient  
I ain't here for you just to come and (take it when you  
wanna take it)  
You took it all for granted (all that good love and all  
that freaky stuff)  
Freaky stuff is all gon'  
(Ooh, but that's how you did) Let me tell you this  
(Take your lame ol' tired excuses somewhere else)  
You can take em somewhere else  
Cause you weak and I don't wanna hear it (you weak  
and I don't wanna hear it)  
Stay away I don't wanna get near it  
Cause boy I'm movin on without you...

[Chorus:]  
No I ain't gon' beg you no more  
I'm sick and tired of waitin' don't know what I'm waitin'  
for  
Cause you know you don't treat me like you should  
When you know I'm the coldest thing about this hood  
No I ain't gon' beg you no more  
And if you not down with this then baby there's the door  
I'm usually not the type to just lay it down and quit  
But a lot men would get with this  
So I ain't gon' beg you no more

Ain't gon' beg you to love me  
Ain't gon' beg you to hold me  
Ain't gon' beg you to pick up and take me out  
Ain't gon' beg you to ice me  
Ain't gon' beg you to wife me  
Ain't gon' beg you to do things a real man's about

Ain't gon' beg you to love me

Ain't gon' beg you to hold me  
Ain't gon' beg you to pick up and take me out  
Ain't gon' beg you to ice me  
Ain't gon' beg you to wife me  
Ain't gon' beg you to do things a real man's about

Said I'm tired, I'm tired, I'm tired, I'm tired, I'm tired
