### [Verse 1]

You Gon Trippin in 6 in the Morning  
Like ain't nobody s'pose to know.  
Say You Been Workin but Get in Bed  
Smelling just like fresh bar of soap.(soap)

Ask You About it, you just turn ya back  
And get mad and just fall asleep, (sleep)  
Got a lot on ya mind and a arguement  
Is the last Thing you need.

### [Hook]

Baby you trippin'  
It don't go that way  
This ain't a movie  
Or a tyler perry play  
If you really wanted to mess around  
That's all you had to say  
But it ain't gonna be itty bitty silly me  
So don't waste ya energy.

### [Chorus]

Expect me to listen  
When all I keep hearin'  
Is You spittin nothing but game  
Expect me to stay  
When all u can say  
Everything is gonna change  
Don't wanna leave , wanna believe  
Dat you won't do me wrong  
But it's starting to  
Bore Me , Bore Me, Bore Me ( hmm. yawn)

### [Verse 2]

I ain't yelling , I'm Telling  
You nothing but how i heard you gettin down [down]  
In the theatre with sister girl  
Over on the other side of town.[hey.hey.hey.]

Ain't got no picture but ya'll might as well  
Have been walking right into me.  
Ain't no way in the hell immuh let it ride  
But you do it to me....

[Hook]

Baby you trippin'  
It don't go that way  
This ain't a movie  
Or a tyler perry play  
If you really wanted to mess around  
That's all you had to say  
But it ain't gonna be itty bitty silly me  
So don't waste ya energy.

[Chorus]

Expect me to listen  
When all I keep hearin'  
Is You spittin nothing but game  
Expect me to stay  
When all u can say  
Everything is gonna change  
Don't wanna leave , wanna believe  
Dat you won't do me wrong  
But it's starting to  
Bore Me , Bore Me, Bore Me.....

[Bridge]

I'm tellin you  
That i refuse to let it go  
Down like this  
Baby girl,  
You must've bumped ya head  
Everytime you go assumeing  
You know you make a fool out of you  
Got them other girls out of my world  
And your the only one

I'm tryna make this clear  
Hope you feel me my dear....{ooh}

Fantasia:  
[How You Gonna expect me]

[Chorus]2x

When all I keep hearin' Fantasia:
