Have you ever reached a rainbow's end  
And did you find your pot of gold  
Ever catch a shooting star  
And tell me how high did you soar  
Ever felt like you were dreaming  
Just to find that you're awake  
And the magic that surrounds you  
Can lift you up and guide you on your way

I can see it in the stars across the sky  
Dreamt a hundred thousand dreams before  
Now I finally realize  
You see I've waited all my life for this moment to arrive  
And finally I believe

When you look out in the distance  
You see it never was that far oh no  
Heaven knows your existence  
And wants you to be everything you are  
Oh there's a time for every soul to fly  
It's in the eyes of every child  
It's the hope that love can save the world  
And oh we should never let it go

I can see it in the stars across the sky  
Dreamt a hundred thousand dreams before  
Now I finally realize  
You see I've waited all my life for this moment to arrive  
And finally I believe  
And finally... Yeah

I believe in the impossible  
If I reach deep within my heart, yeah  
Overcome the obstacles  
Won't let this dream fall apart  
You see I strive to be the very best  
Shine my light for all to see  
'Cause anything is possible  
When you believe yeah

I can see it in the stars across the sky  
Dreamt a hundred thousand dreams before

Now I finally realize  
You see I've waited all my life for this moment to arrive  
And finally I believe  
Ohh Yeah I believe

Ohh Yeah

Love keeps liftin' me higher (I believe in love)  
Love keeps Liftin' me higher (higher, higher, higher,  
higher)  
Love keeps liftin' me higher (yeah)  
Love keeps liftin' (love keeps liftin', love keeps liftin' me  
higher)  
Love keeps liftin' me (you oughtta try it for yourself,  
liftin' me higher)  
Love keeps liftin' (I believe, I believe in love)  
Love keeps liftin' me higher (Yeah, yeah, yeah, yeah,  
yeah, yeah)  
Love keeps liftin' me higher (higher, higher, higher,  
higher)  
Love keeps liftin' me higher (love keeps liftin', love  
keeps liftin' me higher)
