[Verse 1:]

Sometimes as women we give more than we should  
To a man that just don't treat us good, No  
Gave him my heart my time  
Did all that I could in the past to keep him here with me,  
yeah  
But now I woke up, Opened both my eyes up  
Realize that I don't need any other.  
Man, if you can't love me equally,  
Then you don't need to be with me  
Nothing more beautiful then knowing you're worth  
And finally, I know exactly what I deserve

[Chorus:]

I'm doin me, this time around  
I'm doin' me, don't need you now  
I rather be by myself, I won't let your drama hold me  
down  
I'm doin' me, this time around  
I'm doin me, I've finally found  
I'd rather be by myself, I'm doin' me.

[Verse 2:]

Won't spend another minute wasting my time  
On a man, hey, that only tells me lies, no  
Aint saying that I don't need love  
But them games, I don't need that in my life, no

[Chorus]

I'm doin me, this time around  
I'm doin' me, don't need you now  
I rather be by myself, I won't let your drama hold me  
down  
I'm doin' me, this time around  
I'm doin me, I've finally found  
I'd rather be by myself, I'm doin' me.

I could pray for you to act right everyday  
But it ain't up to me to make you change  
Life is too damn short to live unhappily  
So I'm being selfish and putting myself in first place

[Chorus:]

I'm doin me, this time around

I'm doin' me, don't need you now

I rather be by myself, I won't let your drama hold me  
down

I'm doin' me, this time around

I'm doin me, I've finally found

I'd rather be by myself, I'm doin' me.

I'm doing me

This time around

I'm doing me

This time around

No more crying, going thru hell

It's so good, I'm lovin myself

I'm doin' me

This time around

I'm doin' me

I'm doin' me

Yeah Yeah

I'm doin' me

Yeah Yeah
