Never felt so ugly, pretending that he loves me
Sometimes it's just that money, never had to afford me
Now I'm sick and tired of you, just taken right off
Know when I forgive you

You ain't here for dinner
Like I'm a beginner, I loved you for your inner, inner,
inner
And the next guy is out there somewhere,
But you wont dare, cause you're too scared

Chorus:
Have you ever needed someone so bad?
But he ain't willing to make it last
Sometimes you gotta lose to win again.
If it makes you cry, cry, cry
And All you do is smile
Can you not sleep at night?
Sometimes you gotta lose to win again.

Ever felt this sorry? All you did was worry
You didn't want nobody, thought it would get better
But it's fallen more than
Oh it's fallen more than ever
I just hoped that we would
Cause you're always up to no good
Maybe it'll take someone else to show me better
But I don't wanna leave ya
Oh, ey

Chorus:
Have you ever needed someone so bad?
But he ain't willing to make it last
Sometimes you gotta lose to win again.
If it makes you cry, cry, cry
And All you do is smile
Can you not sleep at night?
Sometimes you gotta lose to win again.

Some of you know what it feels like
Caught up just in his light

Don't wanna try again, thinking what's the difference?
Why am I not interested?
Cause when you've been broken, you feel like no one
can fix it
Yeah

Chorus:
Have you ever needed someone so bad?
But he ain't willing to make it last
Sometimes you gotta lose to win again.
If it makes you cry, cry, cry
All you do is smile
Can you not sleep¹— at night?
Sometimes you gotta lose to win again.

Have you ever needed someone so bad?
(so bad yeah)
But he ain't willing to make it last
Sometimes you gotta lose to win again.
(Sometimes you gotta lose to win again)
Yeah
