She might be the type to let you run all over her  
But that's just not that way I do  
Believe me if I let you get a sniff of the whiff  
You gon' do things the way I do  
Better see what the hits you give  
Before you try to make a pitch  
Recognize why it aint you  
Only reason why I'm takin just what everybody give me  
Cuz it just aint the way I do

By the walk and the way I talk  
What gave you the thought  
The game many I loss  
By thinkin' you false  
Too many girls in the house  
With heart strung out  
Complain when they running they mouth  
But they like me  
Sayin just enough  
I aint gotta ever do  
Settling is takin' you home  
I aint in it for the minute  
No pass lives and gimmicks  
Next time that ya see me  
You'll see why the niggas love me

She might be the type to let you run all over her  
But that's just not that way I do  
Believe me if I let you get a sniff of the whiff  
You gon' do things the way I do  
Better see what the hits you give  
Before you try to make a pitch  
Recognize why it aint you  
Only reason why I'm takin just what everybody give me  
Cuz it just aint the way I do

Aint the way I do thangs  
I do  
Aint the way I do thangs  
I do  
Aint the way I do thangs  
I do

What's the reason you keep telling me  
You want me  
Bets believe that's you know how we get down in the  
country  
In the streets they know I'm a beast but  
Bud Please aint no Pimpin'  
No p-i-mping at me  
So much for treating' me like her  
Like her  
I'm bout to keep it deeper what  
How long are the violins gonna play  
They don't follow no instructions  
They just do what I say

She might be the type to let you run all over her  
But that's just not that way I do  
Believe me if I let you get a sniff of the whiff  
You gon' do things the way I do  
Better see what the hits you give  
Before you try to make a pitch  
Recognize why it aint you  
Only reason why I'm takin just what everybody give me  
Cuz it just aint the way I do  
[x2]

I just wanna see  
What it be?  
Is it slick?  
And it's raised only in the country  
It is thick?  
It is somethin easy to get the lovin  
But you'll see when you wind up lonely  
Now if you know get into this is  
Running' around aint gon be you  
Recognize why it aint you  
Only reason why I'm takin just what everybody give me  
Cuz it just aint the way I do

She might be the type to let you run all over her  
But that's just not that way I do  
Believe me if I let you get a sniff of the whiff  
You gon' do things the way I do  
Better see what the hits you give  
Before you try to make a pitch  
Recognize why it aint you  
Only reason why I'm takin just what everybody give me  
Cuz it just aint the way I do

Aint the way I do thangs  
I do

Aint the way I do thangs  
I do  
Aint the way I do thangs  
I do  
She might be the type to let you run all over her  
But that's just not that way I do  
Believe me if I let you get a sniff of the whiff  
You gon' do things the way I do  
Better see what the hits you give  
Before you try to make a pitch  
Recognize why it aint you  
Only reason why I'm takin just what everybody give me  
Cuz it just aint the way I do
