There's only one [x4]
You're the only one [x2]

[Verse 1:]

My baby he's the perfect ten (perfect ten)
He punches in at nine
Eight the breakfast that I made for him,
Hops in the seven
He gets six figures
When he gets off at five
I'm what he's hungry for
Three little letters and I'm in the mood (in the mood)
And he's the only man that I give it to
If ya man don't be stressin ya
Need to count ya blessins
Ladies let me see them hands now
Help me with this count down

[Chorus:]

(Ten) so many reasons why I stick with you
(Nine) Mind and my body adore you cause of the things
you do
(Eight) I want you here with me, seven days of the week
(Six) if I let you go I'm a fool,
Cuz boy there's only one you
(Five) said I never wanna let you go that's from my
heart
(Four) ever and ever just to be with you that's what I
want
(Three) no I never wanna leave your love's just too
good to me
(Two) there's never a wrong you can do
That's why there's only one you

[Verse 2:]

I count the seconds till he's at the door
I kissed his lips at least a thousand times before,
Still get that feeling
My knees get to trembling (my),
My head start to spinnin
He's one and a million to me
And he don't have to say a word (don't say a word)

When he greets me with a dozen red roses I
Know I got a winner, so if you got a winner, ladies let
me see ya hands now
Help me with this count down

[Chorus:]

(Ten) so many reasons why I stick with you
(Nine) Mind and my body adore you cause of the things
you do
(Eight) I want you here with me, seven days of the week
(Six) if I let you go I'm a fool,
Cuz boy there's only one you
(Five) said I never wanna let you go that's from my
heart
(Four) ever and ever just to be with you that's what I
want
(Three) no I never wanna leave your love's just too
good to me
(Two) there's never a wrong you can do
That's why there's only one you

[Verse 3:]

Can't see me
Without you by my side (Uh Uh)
So many reasons why (That's why)
I'm your girl and your my guy
Your all I need
All I need to get by
Like method man and mary blige
You don't have to wonder why

[Chorus:]

(Ten) so many reasons why I stick with you (why I stick
with you)
(Nine) Mind and my body adore you cause of the things
you do
(Eight) I want you here with me, (I want you here with
me)
Seven days of the week (oh seven days)
(Six) if I let you go I'm a fool (I'm a fool cuz boy there's
only one you)
Cuz boy there's only one you
(Five) said I never wanna let you go that's from my
heart
(Let you go that's from my heart)
(Four) ever and ever just to be with you that's what I
want
(Three) no I never wanna leave your love's just too
good to me
(Two) there's never a wrong you can do
That's why there's only one you

There's only one, oh baby only one
Of you baby, can't nobody do it like you do, oh yeah
(You're the only one, you're the only one)
Oh, oh
There's only one, oh baby only one
Of you baby, can't nobody do it like you do, oh yeah
(You're the only one, you're the only one)
Only you, yeah you baby, nobody else but you
