(feat. Missy Elliott)

[Intro Missy Elliott:]

I dont need anybody else
But you
Come on

[weird voice]

[Fantasia:]

[verse 1]

Boy
Stop playin tricks on me
Cuz when I think I found the right one
I end up lonely
So dont judge me
Before you get to know me
I don't wanna share your love
Make me your one and only
Ooh

[chorus]

Come on
I dont want nobody else
I want you to myself
You can call me selfish if you want to
I dont need nobody else
Don't wanna share your love
I wanna be the only one you run to

[verse 2]

My heart
Cant take another heart break
Because every time I fall deep in love
Somebody go and hurt me
So this time
There will be no mistakes
If you allow me to prove myself
Boy I can make you happy

[chorus]

I dont want nobody else

I want you to myself
You can call me selfish if you want to
I dont need nobody else
Don't wanna share your love
I wanna be the only one you run to

[Missy Elliott:]

Im stingy with my man
Im stingy with the goodies
If you think my style fly then check the way I boogie
This one tough cookie
With shell toes and hoodies
Will approach any chic that walks up to my man
Never understand my man be my man
I shut the game down
This dude is mine now
Bring it to the ring
K.O. in one round
Miss demeanor and fantasia with the break down

[Fantasia:]

I want to be the only one
The only one that you run to
I sure dont need nobody else
Your the one your the one your the one your the one
I wanna be
I want to be the only one
The only one that you run to
I sure dont need nobody else
Your the one your the one your the one your the one

[chorus]

Come on
I dont want nobody else
I want you to myself
You can call me selfish if you want to
I dont need nobody else
Don't wanna share your love
I wanna be the only one you run to

[weird voice]
