We stand on our shoulders of legends and heroes and stars

Shout out to MJ and Whitney 'cause they made us who we are.

This is a moment a journey, we refuse to be the night
Raise out hands to the heavens, if you feelin' in the night.

Chorus:

Raise your hands to the heavens, to the heavens.

Raise your hands to the heavens, to the heavens.

What am I now? Yeah, yeah, yeah

What am I now? Yeah, yeah, yeah

We stand on our shoulders of greatness once who main dreams come alive

Shout out to Molly and Hendrix 'cause they're tired of had the shined

This is a movement, it's a journey, we refuse to be the night

Raise your hands to the heavens, if you feelin' in the night.

Chorus:

Raise your hands to the heavens, to the heavens.

Raise your hands to the heavens, to the heavens.

What am I now? Yeah, yeah, yeah

What am I now? Yeah, yeah, yeah

Let the red cuts speak for us

So they know what we have done

We are fearless, we are crazy, we are brilliant we are one

Let them judge us if they want but

If I love I'm not sired.

Tryin' not to the heavens, let our voice love through the sky.

Chorus:

Raise your hands to the heavens, to the heavens.

(everybody)

Raise your hands to the heavens, to the heavens.
What am I now? Yeah, yeah, yeah
What am I now? Yeah, yeah, yeah
What am I now? Yeah, yeah, yeah
What am I now? Yeah, yeah, yeah

We stand on our shoulders of legends and heroes and
stars
Shout out to MJ and Whitney 'cause they made us who
we are
