It's an evil wind (evil wind)  
That blows no good  
And it's a sad heart  
That won't love like I  
Know it should (like it should)

Oh, oh, oh, oh  
How lonesome you must be  
Oh, baby, it's a shame  
It's a shame you don't  
Share your love with me

It's a sad heartache  
When your love is gone (gone)  
You must try to forget him  
Oh, you must live on  
(On and on and on and on)

I'll tell you this  
No one's blinder  
Than he who can't see  
Oh, baby, oh, baby

And it's a shame  
A shame if you don't  
Share your love with me

I can't help it, oh, baby  
If your love is gone  
You must try to forget him  
Oh, you must live on  
(On and on and on and on)

I tell you, it's a good thing  
A good thing, a very good thing  
To love someone, oh, baby, baby

And it's a shame  
A shame if you don't  
Share your love with me

Oh, baby

Darling, share your  
Share your, share your  
Share your love with me

It's a shame  
A shame if you don't  
Share your love with me
