Baby, I've got what you need  
Come on and get it, yeah  
I've got what you need  
Come on and get it, yeah

Now if you need good loving  
Baby, I got it, I got it  
I got it, ooh, I got it  
If you need a good hugging  
Baby, I got it, said I got it  
I got it, ooh, I got it

You don't have to be lonely  
You don't have to be blue  
Cause I've got enough  
Good loving for you, baby  
To last your whole life through

Well, I got just what you need now  
Come on and get it, yeah  
I got what you need now  
Come on and get it, yeah

Now, if you need  
A little soul, now  
Baby, I got it, I got it  
I got it, ooh, I got it  
Just a little soul  
Baby, I got it, I got it  
I got it, ooh, I got it

When I love you, baby  
My love is all you need  
Cause baby, baby, baby  
It's guaranteed

Said I got just what you need now  
Come on and get it, yeah  
I got what you need now  
Come on and get it, yeah

Baby, I got what you need now

Baby, I got what you need  
Come on and get it  
Yeah, yeah, oh, yeah

Baby, I got what you need now  
Come on and get it  
Yeah, yeah, oh, yeah

Now if you need understanding  
Baby, I got it, I got it  
I got it, ooh, I got it...
