Uh, aw, yeah  
Uh, baby

The funky walk is all right  
But the horse is out of sight  
Now you hitch the two together  
You can do them any kind of world

We're gonna do the funky walk, y'all  
Hitch it to the horse, all right  
Gonna do the funky walk, y'all  
Hitch it to the horse, all right

Now listen, everybody  
I want you to listen to what I say  
Now, now, now  
Everybody's gonna do it  
All across the U.S.A.

Now, now, there's something  
Else I wanna tell you  
It's the dance, I got to go now  
Baby, let's go on conjunction  
Over the street, I know

We're gonna do the funky walk, y'all  
Hitch it to the horse, all right  
We gonna do the funky walk, uh  
Hitch it to the horse, all right

The funky walk, children  
You hitch it to the horse, all right  
The funky walk, children, yeah  
You hitch it to the horse, all right

Now, tighten it up, baby, yeah  
That's the way to do it now, all right  
Now, tighten it up, baby, yeah now  
You're looking good, baby, oh, yeah

Now that's the way you do it, oh, yeah  
Come on, uh, uh, all right

Now one more time, uh uh, oh, yeah  
You're looking good, baby, oh, yeah

The funky walk is all right  
But the horse is out of sight  
Now you just hitch the two together  
And you can do them any kind of world

We're gonna do the  
Funky walk, now, baby  
And hitch it to the horse, all right  
We're gonna do the  
Funky walk, yeah, baby  
Hitch it to the horse, all right

The funky walk, children...
