I don't need a whole lotta money
I don't need a big, fine car
I got everything that
A man could want
I got more than I could ask for

I don't have to run around
I don't have to stay out all night
Cause I got a sweet
A sweet loving woman
And she knows just how
To treat me right

My baby, she's all right
My baby, clean out of sight
Don't you know that she's

Some kinda wonderful
Yes she is
Some kinda wonderful
Listen to this

When she holds me in my arms
Sets my soul on fire
Oh, when my baby kiss me
My heart just fill with desire

When she wraps her
Loving arms around me
Almost drives me out of my mind]

I get a funny little
Feeling inside of me
Chills run up and down my spine

My baby, she's all right
My baby, clean out of sight
Don't you know that she is

Some kinda wonderful
Yes, she is
Some kinda wonderful

Is there anybody got a
Sweet little woman like mine
Got to be somebody
Got a sweet little woman like mine

Can I get a witness
One more time
Can I get a witness
Come on, fellas
Can I get a witness, yeah
I want you to keep
It right there

I wanna talk about my baby
Talk, talk about my baby
