I don't need a whole lotta money

I don't need a big, fine car

I got everything that

A man could want

I got more than I could ask for

I don't have to run around

I don't have to stay out all night

Cause I got a sweet

A sweet loving woman

And she knows just how

To treat me right

My baby, she's all right

My baby, clean out of sight

Don't you know that she's

Some kinda wonderful

Yes she is

Some kinda wonderful

Listen to this

When she holds me in my arms

Sets my soul on fire

Oh, when my baby kiss me

My heart just fill with desire
When she wraps her
Loving arms around me
Almost drives me out of my mind]
I get a funny little
Feeling inside of me
Chills run up and down my spine
My baby, she's all right
My baby, clean out of sight
Don't you know that she is
Some kinda wonderful
Yes, she is
Some kinda wonderful
Is there anybody got a
Sweet little woman like mine
Got to be somebody
Got a sweet little woman like mine
Can I get a witness
One more time
Can I get a witness
Come on, fellas
Can I get a witness, yeah
I want you to keep
It right there
I wanna talk about my baby

Talk, talk about my baby
