Funny how so many moments slip away  
The things I meant to say  
I should have said them  
All before today to  
Jennifer, Jennifer

Funny, how you'd smile  
And always understand  
When I got out of hand

Have you forgotten  
All the fun we planned  
My Jennifer, Jennifer

And now you think  
You're getting in my way  
And all I wanna do  
Is find you and remind you

But even if I may  
Become a star someday  
I'd give it all away if it meant  
That I couldn't always stay  
With Jennifer, Jennifer

So now I'm begging you  
To come back home  
You never have to be alone  
We'll be as we were  
My Jennifer
