Together again  
Me and myself  
Wings on my shoes  
Losing the blues  
Being myself

Maybe you're gone  
But I'm living on  
So, baby, amen  
I'm together again

I got the sun winking on me  
Playing that warm like  
I was born feeling on me

Feeling so good  
I'm knocking on wood  
Hey, baby, amen  
I'm together again

You'll never witness  
This man break down and cry  
Maybe I'll drop a tear  
But something's got in my eye

Together again  
Ah, me and myself  
Wings on my shoes  
Losing the blues  
Just being myself

Maybe you're gone  
But I'm living on  
I'll say it again  
Baby, baby, amen  
I'm together again

Bye, baby, bye, baby  
Bye, baby, bye bye

Maybe you're gone  
But I'm living on

I'll say it again  
Baby, baby, amen  
I'm together again

Bye, baby, bye, baby  
Bye, baby, bye bye
