Looking back when I was a child and dreamed.

Growth and maturity would come to me.

Having faith it would set me free and fly away.

Looking back when I was a child and dreamed.

Growth and maturity would come to me.

Having faith it would set me free and fly away to
everywhere.

I could do anything. I could get anything if I want.

I could get love from the one I love easily

Looking back when I was a child and dreamed.

Growth and maturity would come to me.

Having faith it would set me free and fly away.

I'll get some beautiful, beautiful, beautiful, beautiful,
beautiful,

beautiful, beautiful, beautiful days. After all I've come
to be a man.

Did my dream ever come true? Is this the world what
I've dreamed?

Looking back when I was a child and dreamed.

Growth and maturity would come to me.

Having faith it would set me free and fly away to
everywhere.

I could buy anything. I could own whatever if I want.

I'm always dearly loved by you easily.

Looking back when I was a child and dreamed.

Growth and maturity would come to me.

Having faith it would set me free and fly away.

I'll get some beautiful, beautiful, beautiful, beautiful,
beautiful,

beautiful, beautiful, beautiful days.

After all I've come to be a woman.

Did my dream ever come true? Is this the world what
I've dreamed?
