Yes, how do you do
I'm fine how are you?
Yes, please call my name
And I will obey
My mission, you see
Is to make you happy
I'm so eager to please

I'm your Lady Machine
Cybernetic supreme
Sweet as peaches 'n cream
I'm your Lady Machine

Yes, I understand
You are in command
Yes, Please teach me tonight
I will do you right
My wish is to be
Serving you complete
Press the "ENTER" key

I'm your Lady Machine
I'll be all that you need
The automated girl of your dreams

Far from the galaxy
I came to earth to be
Your sexy fantasy
Love robot, Sweet machinery
I'll never disagree
It's in my chemistry
Kiss me and you will see
How I love you

I'm your Lady Machine
Cybernetic supreme
Sweet as peaches 'n cream
I'm your Lady Machine

I'm your Lady Machine
I'll be all that you need

The automated girl of your dreams

Far from the galaxy
I came to earth to be
Your sexy fantasy
Love robot, Sweet machinery
I'll never disagree
It's in my chemistry
Kiss me and you will see
How I love you

I'm your Lady Machine
Cybernetic supreme
Sweet as peaches 'n cream
I'm your Lady Machine
I'll be all that you need
I'm your Lady Machine
The automated girl of your dreams
I'm your Lady Machine
Cybernetic supreme
I'm your Lady Machine
Sweet as peaches 'n cream
I'll be all that you need
I'm your Lady Machine
I'll be all that you need
I'm your Lady Machine
