Now,  
The mist across the window hides the nights  
But nothing hides the colors of the lights that shine  
Electricity so fine,  
Look and dry your eyes. (be there)

Steppin' out  
Into the night  
Into the light

We,  
So tired of all the darkness in our lives,  
With no more angry words to say can come alive,  
Get into a car and drive,  
To the other side (be there)

Steppin' out  
Into the night  
Into the light

We,  
Are young but getting old before our time,  
We'll leave the TV and the radio behind,  
Don't you wonder what we'll find tonight  
Steppin' out tonight (be there)

Steppin' out  
Into the night  
Into the light

You,  
Can dress and pick and move just like a child  
And then the yellow taxi turn to me and smile,  
We'll be there in just a while,  
Steppin' out tonight (be there)

Steppin' out  
Into the night  
Into the light
