Don't look now.

I saw you dancing on that speaker box, girl what's your name?

I see you texting on that bbm, can we exchange?

I got two glasses at my table, can I show you the way?

Tonight's the night to let it go, go, girl it's okay.

Yeah, I'm not looking for no strings, you're not looking for a ring

If you're ready for this fling, then meet me in the back.

I never knew it'd be like this, such an unexpected twist

Started off with just a kiss, I don't know how to act.

Dear heart, I know I promised you I'd take it slow,

Dear love, I know I swore on everything I own,

But I can't resist, how's just one kiss?

But don't look now.

You've got me going, I'm going, I'm gone.

Don't look now.

You've got me going, I'm going, I'm gone

Don't look now.

I can't resist, how's just one kiss?

Don't look now.

My heart is pumping like that bass before I pick you up.

The way we stole each others' hearts, we playing "Stick em up".

I take a shot of ciroc to get me in the zone now.

She took a step out the door, from head to toe she's all "wow".

I'm not looking for no strings, you're not looking for a ring.

If you're ready for this fling, then meet me in the back.

I never knew it'd be like this, such an unexpected twist

Started off with just a kiss, I don't know how to act.

Dear heart, I know I promised you I'd take it slow,

Dear love, I know I swore on everything I own,

But I can't resist, how's just one kiss?

But don't look now.
You've got me going, I'm going, I'm gone.
Don't look now.
You've got me going, I'm going, I'm gone
Don't look now.
I can't resist, how's just one kiss?
Don't look now.

Somethin' 'bout this girl,
She shakin' up my world,
She got me doin' things I never did before.
Damn, there's somethin' 'bout this girl,
She shakin' up my world,
She got me out my zone, I'm losin' all control.

Dear heart, I know I promised you I'd take it slow,
Dear love, I know I swore on everything I own,
But I can't resist, how's just one kiss?
But don't look now.
You've got me going, I'm going, I'm gone.
Don't look now.
You've got me going, I'm going, I'm gone
Don't look now.
You've got me going, I'm going, I'm gone
Don't look now.
You've got me going, I'm going, I'm gone
Don't look now.
