Couldna done any better
Couldna prayed for sin to be over
Praying to nothing, praying to know,
But you will never know

I won't say it, I won't say it
I won't say what I don't know

I never had any problem
To recognize it or a marble
You're a beautiful liar
You're never inspired
You know when it's over it's over

I won't say it, I won't say it
I won't say what I don't know
I won't say it, I say nothing
I know nothing, I do nothing
Nothing

The System!
