Ahhh, Yeah Yeh

Christmas In Downtown La  
And ain't any better than LA on ice  
The palm trees all light

We celebrate- in like the late cause in parade all night  
Check the aunt in the caddie and the ring on tight  
But we save it on the wrapping paper LA times

Sampling in 808 on blast  
Tag-in mistletoe and over pass  
Tamale from the homie always go so fast  
Yeah, Christmas In definitely downtown fam

Y'all  
Ain't other like downtown, We light it up now  
Holiday is around, We light it up now  
Share the feelin' to the season  
Christmas In Downtown La

Let they be Christ  
Let they be Christ  
Let they be Christmas In Downtown La  
Let they be Christmas In Downtown La

Yeah, Dip it to the fork well try the eggnog  
Figure roll a bar knock the picture on the wall  
Wishes on the star, find the lady on board  
Here's little art walk on the Christmas card

We can play late like twelve days of mixmas  
Last minute gift go ahead pick the district  
Go play grenade Dirty Bass on the misses  
Roof top I'll find that how we kick it

Y'all  
Ain't other like downtown, We light it up now  
Holiday is around, We light it up now  
Share the feelin' to the season  
Christmas In Downtown La

Let they be Christ  
Let they be Christ  
Let they be Christmas In Downtown La  
Let they be Christmas In Downtown La  
Ahaaaâ€¦..

Ya , We like to grow up dashing  
Driftin' the Boulevard  
We keep dancin' (in LA) put the bumping to your heart  
Keep smashin' (in LA) doesnâ€™t matter who you are  
Represent the west coast hands to the stars (and it  
feels like Christmas)  
La always keeps the greedyâ€™s green  
Feel the holidays like a Christmas tree (in LA)

Today we remain in such a park for free  
Christmas need to be seven days of week

Let the be  
Let the be  
Ohhh..

Let the be Christ  
Let the be Christ  
Oh no no no

Let the be Christmas in downtown la  
Let the be Christmas in downtown la  
Let the be Christmas in downtown la

Christmas in downtown la  
Let the be Christmas in downtown la  
Christmas in downtown la  
Let the be Christmas in downtown la

Christmas in downtown la  
Let they be Christmas in downtown la
