

## **Far East Movement "Dayum It Feels Good"**

Visit "[Dayum It Feels Good](#)" on [MotoLyrics.com](http://MotoLyrics.com)

It's the Far East Movement keepin' it stupid  
Dayum it feels good when the beat got ya groovin'  
The Far East Movement keepin' it stupid  
Dayum it feels good when the beat got ya groovin'

Dayum it feels good (whattcha say now?)  
Dayum it feels good (come on people are ya with me?)  
Dayum it feels good (come on)  
Dayum it feels good (that's right)  
Dayum it feels good (whattcha say, whattcha say,  
whattcha say now?)  
Dayum it feels good (come on, ya'll know you'll have a  
good time)  
Dayum it feels good (a little louder)  
Dayum it feels good (come on)  
Dayum it feels good (that's right)  
Dayum it feels good (whattcha say, whattcha say,  
whattcha say now?)

To do what? Move somethin' Loose somethin'  
Dayum it feels good when the beat got ya bumpin'  
Like Saturday night feva  
Grabbin' the microphone like it was a fit of Tequila  
So dance with ya two left feet to the ceilin'  
We freak in the mornin' and freak in the evenin'  
Smile like you mean it, you hot seniorita  
Yo DJ the music is makin' me feel it

We breakin' the sweat from all the groovin' we be doin'  
(that's right)  
The alarms catchin' up the final till it gets ruin?  
When we be vibin' our forces are collidin'  
Our music be refreshin' like a big stick of trident  
Call me Johnny Cochran 'cause I'm sittin' so free  
Make ya'll feel good like James Brown on ecstasy  
Whatever it takes to bring a spot we about to bring it  
Havin' you dance like hooligans to our brand of music

Dayum it feels good (you know it feels good)  
Dayum it feels good (all you people are you with me)  
Dayum it feels good (that's right)  
Dayum it feels good (whattcha say, whattcha say,

whattcha say now?)  
Dayum it feels good (come on, ya'll have a good time)  
Dayum it feels good (a little louder)  
Dayum it feels good (come on)  
Dayum it feels good (whattcha say, wattcha say,  
whattcha say now?)

It feels good when I'm bein' me  
Girl I could buy you a drink  
I get mines fo' free  
You like to brag like you gettin' ahead  
I block it out 'cause I think about me gettin' some head  
That's how my mind works when I be skemin'  
I'm callin' you aside and you swallowin' seamen

Take ya to my room and you takin' while you givin' me  
dome  
You gotta keep on low like yo' parents are home

On tour with me and my fam (FM)  
Hear the radio playin' our jam (Oh yea)  
All the people bein' real feel good to me  
Like a 100 degrees with air conditioning  
With no condition we share the same prescription  
Vision of love, happiness and good livin'  
Give thats to ya neighbor put yo hands in the air  
If it feels dayum good lemme hear you say yea

It's the Far East Movement keepin' it stupid  
Dayum it feels good when the beat got ya groovin'  
The Far East Movement keepin' it stupid  
Dayum it feels good when the beat got ya groovin'

Dayum it feels good (a little louder)  
Dayum it feels good (come on people are ya with me?)  
Dayum it feels good (come on)  
Dayum it feels good (that's right)  
Dayum it feels good (whattcha say, wattcha say,  
whattcha say now?)

Dayum it feels good when I finally get that numba  
From that chick you been sweatin' all summa  
Tonights the night, she gon gave you a chance  
Tie yo game face tight, executin' yo plans  
Check into a room, with nothin' to do  
Pick another best way for you to disprove  
You two under tube, go set up the mood  
While I move to the beat and tap on the grooves  
It's the F-A-R E-A-S-T- M-O-V-E-M-E-N-T  
I got the day off and it's time fo' partyin'  
And I ain't gettin' up at 6 in tha mornin'

We gon' dress how we want, we go' drink what we want  
After the club it's on, yo where the weed at  
That's how we do it, I know ya feel the music  
So bounce to tha sounds of the Far East Movement

Dayum it feels good (ya know it feels good)  
Dayum it feels good (what whattcha say now?)  
Dayum it feels good (come on)  
Dayum it feels good (that's right)  
Dayum it feels good (whattcha say, whattcha say,  
whattcha say now?)  
Dayum it feels good (uh huh)  
Dayum it feels good (it's the movement)  
Dayum it feels good dayum it feels good dayum it  
feels good
