Dirty bass
I love that
Dirty bass
I love that!

Deep low when I feel loco
Don't trip, make a dip like a lolo
Uh, make a dip like a lolo
Then I roll on, roll on
Uh I love that dirty bass, uh, uh
I love that, uh, uh
I love that, I love that dirty bass, uh
I love that, I love that

Dirty bass
I love that

Yo, I make girls jiggle, right down the middle
My girl's from Assadena, she ain't that ghetto
She likes to sip the pub, VIP at the club
But when it comes to bass, my girl got a banging trunk

Dig the way that you roll (dig the way that you roll)
Put your bass down low (put your bass down low)
You can come to the crib (you can come to the crib)
Leave your shoes at the door (Leave your shoes at the door)
You know what you're here for (You know what you're here for)
Girl, shake that dirty bass, real girls get down on the floor

Deep low when I feel loco
Don't trip, make a dip like a lolo
Uh, make a dip like a lolo
Then I roll on, roll on
Uh I love that dirty bass, uh, uh
I love that, uh, uh
I love that, I love that dirty bass, uh
I love that, I love that

I'm going ham when the beat drop

Got beef, eat it like a pork chop
And the bass go pump pump like a Reebok
Sitting so high in the Phantom like a tea cup
Hit thriller bang bang at the stage
Big Willie, chillin' on the big Willah
Your girl icky
Give me lick, licky, licky
No smalls, all biggie biggie
Ummâ€¦ and she bop to the beat
Ba-back it up, hear the beep beep
Come to L.A., life on the beach
And she give me brain
Screech
Club poppin', dirty bass, girls droppin'
Young Money, cash, got it.
Now shake that ass, ass, ass!
Dunk it!

I dip low when I feel loco
Donâ€™t trip, make a dip like a lolo
Uh, make a dip like a lolo
Then I roll on, roll on
Uh I love that dirty bass, uh, uh
I love that, uh, uh
I love that, I love that dirty bass, uh
I love that, I love that

Dirty bass
I love that

I'll bang that woofer, if she's a loca
I'm cruising Hollywood & Vine, I don't want no hooker
I need a 5'4 freak for the set them free
Let's take it back to the motel, now I'm in too deep

Dig the way that you roll (dig the way that you roll)
Put your bass down low (put your bass down low)
You can come to the crib (you can come to the crib)
Leave your shoes at the door (Leave your shoes at the door)
You know what youâ€™re here for (you know what youâ€™re here for)
Girl, shake that dirty bass, real girls get down on the floor

I love that, the way we make it shake
I love that, the way we make it shake
I love that, the way we make it shake
I love that, the way we make it shake
I love that

Deep low when I feel loco
Don't trip, make a dip like a lolo
Uh, make a dip like a lolo
Then I roll on, roll on
Uh I love that dirty bass, uh, uh
I love that, uh, uh
I love that, I love that dirty bass, uh
I love that, I love that
