Hook: KEV NISH

Say... I-I-I-I Party all day and all n-n-n-night,  
And I just wanna play my whole li-li-life,  
I Party, I-I-I-I Party, I-I-I-I Party

Verse 1: KEV NISH

Lets party baby, tell the dj get the party crazy  
I'm fellin faded like a classic pair of Ben Davis  
(All Night) Music's bangin, (All Night) hella ladies  
I'm navigating through them girls like a new  
Mercedes  
(Later) My games' in over drive, baby girl is so divine  
Last shot it's overtime, Patron and Henney is suicide  
So sip it baby, do or dieeeee, its just you and i-i-i-i  
like a pair of di-i-i-ce, we can let it ride

(repeat hook)

Verse 2: PROGRESS

The club going insane, feelin that bass, pushing that  
808  
Mama what's my name, ride this train, FM make ya  
shake that thang,  
I wanna hear you scream, AMF burn ya lips like  
gasoline,  
Feelin so good like I'm in my dreams, make ya see 3  
like a sippin on lean  
We back and ya know its US, too much now throw it up  
Then I'm back up on it, sippin that tonic, baby fill my  
cup  
And ya don't stop, git it, git it  
I say don't stop, git it, git it  
Party don't sleep 7 days a week cuz that beat so bad  
that it got me trippin'

Bridge - DB TONIK

Just open your mind, ay ay ay  
Just open your eyes, ay ay ay  
Your so blind, ay ay ay  
Just open your eyes  
Just for a short while

(repeat hook)

Verse 3: IZ

Club lights spinnin' , locs on, hoes grinnin'  
White tee's nicely pressed, I just might be,  
The right G that flow cool, IZ there's no 2  
Roll through, Fly Gang, sideways, crime pays  
Creepin' on yo stacks so homie don't relax,  
The straps in the jack' cuz I came thru the back  
Where ever i go, the shotgun still rolls  
Cops come to the shows and yall know how it goes

Verse 4: J-SPLIF

Its a jungle in this building from the window to the wall  
(wall)  
Turn the music up lets rock the party cuz its on (on)  
My game is through the roof like j-j-Jordan in the zone  
Fresh Prince of Hollywood, Ch-ch-ch-Chillin on my  
throne

(repeat hook)

(repeat bridge)

(repeat hook)
