I bet you wake up in the morning and you kiss yourself
Cause I would, if I was you.
I bet you show up to the club and just dance with
yourself
Cause I would, if I was you.
If I was you, girl
Cause what I do, girl
I notice me here at this table with my crew, girl
We sippin' loose, girl
We gettin' loose, girl
So won't you sit up on my lap with that caboose, girl

You ain't a dime,
You's a silver dollar
It'd be a crime if I didn't holla
Take a second, hear me out
If you still don't get it, let me spell it out

OMG you so sexy
You know you caught my eye with that b-o-o-t-y
OMG shawty such a freak
She said she wanna go back to my c-o-n-d-o
Let's go

I bet you hop under the covers and play with yourself
Cause I would, if I was you.

I bet you stand up in the mirrors and stare at yourself
Cause I would, if I was you.
If I was you, girl
Be me and you, girl
We'd be no question
Teach you lessons in my room, girl
And if you wit it, girl
Then you can get it, girl
And if you think it, trust our drink and let it go, girl
Check it out

You ain't a dime,
You's a silver dollar
It'd be a crime if I didn't holla
Take a second, hear me out

If you still don't get it, let me spell it out

OMG you so sexy

You know you caught my eye with that b-o-o-t-y

OMG shawty such a freak

She said she wanna go back to my c-o-n-d-o

Let's go
