[Bionic:]

[The Cure:] "Whenever I'm alone with you"

"Whenever I'm alone with you"

Oh, oh, oh, oh

[Break: Bionic]

Lowridin'

Low

Lowridin'

Lowridin'

Low

Lowridin' (Oh, oh, oh, oh)

Lowridin'

Low (Oh, oh, oh, oh)

Lowridin'

Lowridin'

Low

Lowridin' (Oh, oh-oh, oh)

[Verse 1: Kev Nish {Kev Nish slowed down}]

Picture me

Rollin' in my drop top

Me and my girl

Bumpin' the

Oldies with the homies

We on top of the world

This be

West coast ridin'

In the flyest two seater

With the fast low leader

So the hood's over heated

Candy painted whip

Doin' kisses on tip

I'm a lowridin' ruler

Burnin' rubber with my chick

On a California roll

Double 0 to 6-4

So I gotta drive slow when I'm

{Sittin' on chrome}

[Chorus: Bionic] However far away I will always love you However long I stay I will always love you However far away I will always love you I will always love you I will always love you

[Verse 2: Prohgress {Prohgress slowed down}] You my ride-or-die chick You keep my engine runnin' You ain't picking up the phone Even though your friends buggin' But ain't nothin' when we touchin' Ain't hearing nobody In the backseat Legs up {Windows all foggy} We ain't riding on blades And I needn't all change You ain't never seen nothin' You just ridin' our way And that's why I'm gonna stay with ya {Stay with ya} You ain't gotta Worry about a thing, we could

[Chorus]

Yeah

[Break]

[Verse 3: J-Splif] Better step, to the side Cause I'm gunnin' for the prize I'm the number one contender here To make the girl, mine She's a diva, not a skeezer Just a hot, senorita And she makes my heart thump Like some twenty-inch speakers Once you wrapped around my arm You could be my lucky charm I'm a certified, pimp And I got it goin' on I'm addicted to you, girl Need my fix, everyday I ain't tryin' to rehab Got you runnin' through my veins

Take a picture (Take a picture)

[Chorus]

[Bionic:]
"Whenever I'm alone with you"
FM on dial
"Whenever I'm alone with you"
Bionic
