It feels so good
It feels so good to be me
Yeah
We livin that million dollar dreams
My life...yeahhh
My life feels just like a dream
Chasing cream, i'm a fein
Maybe i'll win that lottery
Rock diamond rings
Yo check the bling
All them greens aint what it seems
All them hoes don't mean a thing
All them whips cant ride for me
But my family down to die for me
Been a few years thru the good n bad
Yea I been more down than da wallstreet crash
Now back up just for the fans
Lets pack that uhaul full of cash
Spread the love, time to grub
Gotta show mamma i'm the one
Praise the lord that i'm alive
Just throw that money in the sky

I'm walkin on air
Livin on a prayer
I look up at the sky
and i feel like a millionaire

I'm walkin on air
Livin on a prayer
I look up at the sky
and i feel like a millionaire-aire

(8X)

Feels good when the homies rydin
Everyday feels like a Friday
Crank that beat when the sun is shinin'
With the top down i feel like flyin
Over on the freeway catch me if u can
If you want beef you can put it on the glass

My girl got back in the sunset tan
We livin that goodlife don't be mad
Yah cant do it, like we do it
Feels so good when i bump my music
troubles in the air
I dont care
Im livin everyday like a millionaire
I'm walkin on air
Livin on a prayer
I look up at the sky
and i feel like a millionaire
I'm walkin on air
Livin on a prayer
I look up at the sky
