Featuring Ryan Tedder

Here we go, come with me
There's a world out there, that we should see
Take my hand, close your eyes
With you right here I'm a rocketeer

Let's fly
Fly, fly, fly
Up, up here we go, go, up up here we go go
Let's fly (fly fly fly)
Up, up here we go, go, up, up, here we go go
Where we stop, nobody knows

Where we go, we don't need roads
'Cause where we stop, nobody knows
To the stars, if you really want it
(got) got a jetpack with your name on it
Above the clouds and the atmosphere
Say the words and we're outta here
Hold my hand if you're feeling scared (scared)
We're flying up up out of here

Here we go, come with me
There's a world out there that we should see
Take my hand, close your eyes
With you right here I'm a rocketeer

Let's fly
Fly, fly, fly
Up, up here we go, go, up up here we go go
Let's fly (fly, fly, fly)
Up, up here we go, go, up, up, here we go go
Where we stop, nobody knows

Baby, we can stay fly like a g6
Shop the streets of Tokyo, get your fly kicks

Girl you're always on mind, got my head up in the sky
And I'm never looking down, I'm feeling priceless
Where we're at, only few have known
We're on some next level Super Mario

I hope this works out, (cardio)goronamo

Here we go, come with me
There's a world out there that we should see
Take my hand, close your eyes
With you right here I'm a rocketeer

Let's fly

Now I ain't ever been to space before
But I ain't ever seen a face like yours
You make me feel like I can touch the clouds
You want the moon
Girl, now watch me grab it
Seen I ain't ever seen a star this close
You got me stuck by the way it glow
I'm like oh, oh, oh, oh
I'm like oh, oh, oh, oh

Here we go, come with me
There's a world out there that we should see
Take my hand, close your eyes
With you right here I'm a rocketeer

Let's fly
Fly, fly, fly
Up, up here we go, go, up up here we go go
Let's fly (fly, fly, fly)
Up, up here we go, go, up, up, here we go go
Where we stop, nobody knows
