(feat. Alvaro)

Show me love
Show me light
You're everything that I wanna speak
Show me love
Show me love
Ahh-ahh
Tonight
Ahh-ahh
Crack a bottle roll it up show me light
Ahh-ahh
It's on, tonight
Ahh-ahh
Dj crank it, get it banging, show me light
Show me l-o-o-o-o-ove
L-o-o-o-o-ove
L-o-o-o-o-ove
O-o-o-o-ove

Crawl out make it pop now
Live like EDC
People live away
Hands in the air
We don't need no VIP
Hell no
All I need is a tribute kiss
To make it feel like New Years Eve
Dirty bass up, 'till you pass out
Living wild young and crazy

Check it out
You better drop that thing
Drop, drop
You better pop that thing
Pop, pop
You better chop that thing
Everybody turn it up
You better drop that thing
Drop, drop
You better pop that thing
Pop, pop

You better chop that thing
Everybody turn it up

[Chorus:]

Show me love
Show me light
You're everything that I wanna speak
Show me love
Show me love
Ahh-ahh
Tonight
Ahh-ahh
Crack a bottle roll it up show me love
Ahh-ahh
It's on, tonight
Ahh-ahh
Dj crank it, get it banging, show me light
Show me l-o-o-o-o-ove
L-o-o-o-o-ove
L-o-o-o-o-ove
O-o-o-o-o-ove

Yo, boomin' is how I bling
She slows right by the beach
This is how I do it
With my low funk sleezy E
Booming is how I live
Not the beach soft ball of shit
Turned up when I'm at the crib
Saw your basses drop to this
Like this

[Outro:]

Every night
Every night we goin hard until we see the light
If you sexy you and me tonight
Me tonight
We goin' hard until we see the light
See the light
Show me love
Show me light
You're everything that I wanna speak
Show me love
This is the lies
Dirty Bass
The lies
Dirty Bass
