cherry cherry boom boom
yeah yeah up all night feeling like a fiend
living in a nightmare looking for a dream
i wanna live so free free free
not doing just me me me
sometimes you you sometimes me me
trying to stay off that TMZ
you you you you are my queen
lay down that draw bridge for your king

(chorus)

ill give it all
baby till there's nothing, nothing for me to give at
all
ohh wooh yeah yeah
ill give it all
baby till there's nothing, nothing for me to give at
all
ohh wooh yeah yeah

ill wave my white flag
and i'm waving it, waving
ill wave my white flag
ill wave it for you
ohh wooh
ill wave my white flag
and i'm waving it, waving
ill wave my white flag
ill wave it for you
ohh wooh

even living in a castle we may fall
like living in a house with glass for walls
so baby you and i will see that we can live together
forever
and i will lose it all
meet me on the battlefield camouflage
and maybe you and i can be together forever

(chorus)

ill give it all
baby till there's nothing, nothing for me to give at

all
ohh wooh yeah yeah
ill give it all
baby till there's nothing, nothing for me to give at
all
ohh wooh yeah yeah

ill wave my white flag
and i'm waving it, waving
ill wave my white flag
ill wave it for you
ohh wooh
ill wave my white flag
and i'm waving it, waving
ill wave my white flag
ill wave it for you
ohh wooh

you love is so cold you girl got me freezing
dam i cant wait till it changes seasons
to make your heart melt like reeses peices
always on the left trying to make it right
i dont wanna be overstay tonight
hand me the check and ill pay the price
i will wave the white flag for you you
