I love you, Samantha
And my love will never die
Remember, Samantha
I'm a one gal guy

Together, Samantha
We could ride a star and ride it high
Remember, Samantha
I'm a one gal guy

And if some distant day, you decided to say

"Get along, get away, goodbye"
Remember, Samantha
I'm a one gal guy

And if some distant day, you decided to say
"Get along, get away, goodbye"
Remember, Samantha
I'm a one gal guy

Remember, Samantha
I'm a one gal guy
