It took so long, for me to see,
We don't agree on anything,
We were fighting all the time,
I took for granted that you were mine.

It's been so long since you've been gone,
And all I do is think of you,
I know we've had our differences,
... so why you...

'cause you left me waiting,
Your out dating,
So leave me breathless,
Anticipating.

And now I realize,
Just what you mean to me,
So lost without you,
Yeah, I'm lost without you,
I'd never doubt you,

Look into my eyes,
See what you mean to me,
I'm so lost without you,
I'd never doubt you.

I'm so confused,
You never lose,
You've always been,
It's always been,
That way right from the start,
And my never mending heart will,
Never mend, never end,
Never heal, Never feel,
Never feel the same again,
I broke down the day you left.
You left me waiting,
Your out dating,
So leave me breathless,
Anticipating.

And now I realize,

Just what you mean to me,
So lost without you,
Yeah, I'm lost without you,
I'd never doubt you,

Look into my eyes,
See what you mean to me,
I'm so losat without you,
I'd never doubt you.

Well, I want you,
And I need you,
I'd do anything to get you,
I just want to make you mine,
Let's try this one more time. [x2]

Well I want you,
And I need you, [x2]

Now I realize,
Just what you mean to me,
So lost without you,
Yeah, I'm lost without you,
I'd never doubt you,

Look into my eyes,
See what you mean to me,
I'm so lost without you,
I'd never doubt you.

I'm so lost,
Without you, [x2]
I'm so lost,
Without you, [x6]
