Don't understand these things
They get so complicated
They're gonna take us down
Make me feel so out rated
I've got to take control
So I don't end up wasted
I'd like to stick around
Don't like to be mistaken

[Chorus]

Draw the curtains
Lights are dimmed
The show is starting
Start the circus
Cause I'm the freak
They've come to see
Draw the curtains
Lights are dimmed
The show is starting
Start the circus
Cause I'm the freak
They've come to see me

Please can't u tell me now
Been here for too long waiting
Please don't apologize
Say to my face what you've been saying
Why can't u answer me
When I ask u these questions
But you can't
No you won't
Cause you don't
Take suggestions

Draw the curtains
Lights are dimmed
The show is starting
Start the circus
Cause I'm the freak
They've come to see
Draw the curtains

Lights are dimmed
The show is starting
Start the circus

Cause I'm the freak
They've come to see me
You can't u won't no cause
You don't take suggestions

[Chorus]

Draw the curtains
Lights are dimmed
The show is starting
Start the circus
Cause I'm the freak
They've come to see
Draw the curtains
Lights are dimmed
The show is starting
Start the circus
Cause I'm the freak
They've come to see me

I'm coming clean
From broken dreams
When all my dreams
Tear at the seams
They break apart
And it's breaks my heart

I'm coming clean
From broken dreams
When all my dreams
Tear at the seams
They break apart
And it breaks my (heart)

[Chorus]

Draw the curtains
Lights are dimmed
The show is starting
Start the circus
Cause I'm the freak
They've come to see
Draw the curtains
Lights are dimmed
The show is starting
Start the circus
Cause I'm the freak

They've come to see me
