Well i don't think i'm as quite as dumb as  
As you might think i am  
What's going on with me  
What's going on  
What's going on with you  
You cannot fight back  
I will not react  
Cause nothing else matters  
Don't matter to me  
You cannot fight back  
I will not react  
Cause nothing else matters  
Don't matter to me  
Cause nothing else matters  
No you don't matter me  
Cause nothing else matters  
No you don't matter me  
I'm starting over  
The past is over  
I'm lost and found again  
Made my decision  
I'm in commission  
What's dead is done  
What's done is dead  
You cannot fight back  
I will not react  
Cause nothing else matters  
Don't matter to me  
You cannot fight back  
I will not react

Cause nothing else matters  
Don't matter to me  
Cause nothing else matters  
No you don't matter me  
Cause nothing else matters  
No you don't matter me....  
I cannot fight back  
I will not react  
Cause nothing else matters  
Don't matter to me  
You cannot fight back

I will not react  
Cause nothing else matters  
Don't matter to me  
Cause nothing else matters  
No you don't matter me  
Cause nothing else matters  
No you don't matter me  
Cause nothing else matters  
No you don't matter me  
Cause nothing else matters  
No you don't matter me  
Nothing else matters  
No you don't matter to me  
Nothing else matters  
No you don't matter to me  
Nothing else matters to me!!!!
