"Long Day"

It's been a long day,
It disappoints me,

Thunder and Lightning,
Stung Aphrodite.

It's been a long day,
My senses fail me,

Eyes on the highway,
Mind on nepenthe.

CHORUS:

Everything I have just falls around me,
(It's been a long long day)

Tellin' me my minds supposed to be free,
(Love I hope you feel the same)

Tell me how to get you outta my head,
(Intentions slip away)

Your sympathy I'm never gonna need it.
Without you here I'll still continue breathing

(I'm leavin', I'm leavin' here,)

It's been a long time,
Reasons escape me,

Actions perfumed by,
Nectarous envy, oh oh oh.

Bring back the late nights,
Bring back the party,

Bring up the sunshine,
Jager and Coffee.

It's been a long week,
It disappoints me,

Thunder and lightning,
Stung Aphrodite.

CHORUS
