

# Farewell "Start It Up"

Visit "[Start It Up](#)" on [motolyrics.com](https://www.motolyrics.com)

If you wanted to, you could just settle down,  
But you'd rather just waste away - button up, shut up,  
And turn your life around - what would it take to get this  
started?

Blood scattered on the boy scout's war today - if you  
wanted to

You could just start it up - just start it up, lets get  
started

It's five o'clock, that means it's time to start growing up  
You'd rather waste away - you're twenty-two, but you've  
got

Nothing much to show for it - you'd rather waste away
