Ohhh... ohhh... oh
Mhhmm... yeaaa

You see there's never a right time
To say goodbye

Nobody's ever perfect
And everyone lies
I'd never hurt you on purpose
And at least I try
Try to be the best for you
No matter what we were going through
We could work it out in the end
If you ever allowedm us to

It makes no sense to come too far
Your heart is yours and now it's gone
Baby, I don't think you knew how much I love you
I think in time you'll finally see
But I'm afraid too late for me
Baby, I know one day you'll see clearly

CHORUS

Tell me why after all we've tried
Every tear we've cried
Tell me why you wait so long to say goodbye
Tell me why after all we've tried
For you and I
Tell me why you waited so long to tell me goodbye

Could've given you babies
Could've been your life
Could've been blue babies
Either way they would be right
Anything in the world for you
It's a shame couldn't get through
Oohh baby
I lost my heart toooo...

It makes no sense we've come too far
My heart is yours and now it's gone
Baby, never knew how much I looove you

I think in time we'll finally see
But I'm afraid it's too late for me
Oh baby, one day you'll see clearly

CHORUS

Tell me why after all we've tried
And the tears we've cried
Tell me why you wait so long to say goodbye
Tell me why after all we've tried
For you and I
Tell me why you waited so long to tell me goodbye

I know one day
You'll wake up then you'll see I'm right
But I won't be there to say goodbye

CHORUS 2x

Why d'you tell me goodbye
Oohhh... ohh.ohhhh
Oohhhh... ohhh... ohhhh
