[Chorus:]

Anybody questioning who I may be, well let me spell it  
out for you this is me,  
I'm a saint, I'm a sinner, but I don't wanna be  
I'm trying to make my way in the world, this is me

I love God and I love women both in the same,  
But I'm waiting on my angel who will bear my last name  
so,  
I wanna do right by her so it's eyes to the sky  
And I can't forget to bow my knees when day turns to  
night

[Chorus:]

So for anybody questioning who I may be, (well) well let  
me spell it out for you  
This is me,  
I'm a saint, I'm a sinner, but I don't wanna be  
Just trying to make my way in the world, this is me

It gets hard, but I know I'll make it with prayer (make it  
with prayer)  
But I have to admit sometimes it feels like He isn't  
there (ooo)  
I think of it, I know it's not true (I know it's not true)  
And I wouldn't be here right now if His grace didn't pull  
through

[Chorus:]

So for anybody questioning who I may be (who, who I  
may be), (well) well  
Let me spell it out for you this is me,  
I'm a saint, I'm a sinner, I don't wanna be (but I don't  
wanna be)  
Just trying to make my way in the world, this is me

[Bridge:]

So I'll keep on pressing forward, that's all I can do  
See the rooftop is high (high), so let's form a ladder  
Keep on (striving) striving for greater so our children  
can see,  
We left a legacy and they see what's missing

And they see what's missing, (they see what's missing)  
[x2] (missing)  
It wasn't missing (what's missing)  
We left a legacy

[Chorus:]

So for anybody questioning who I may be (yeah), (well)  
well

Let me spell it out for you this is me,  
I'm a saint, I'm a sinner (and I'm a sinner) but I don't  
wanna be  
(But I don't wanna be) but I try not to be,  
I'm trying to make my way in the world, this is me

So for anybody questioning who I may be (yeah this is  
me), (well) well  
Let me spell it out for you this is me,  
I'm a saint, I'm a sinner but I don't wanna be (but I don't  
wanna be)  
I'm trying to make my way in the world, this is me

And this is me, and this is me, this is me JT
