Just clothes your eyes
This is useless
The moon will set
And this will all be over
Just clothes your eyes
This is useless
The moon will set
And this will all be over

At the end of my rope
I can't hold on any longer
All my strength is gone
My fingers are slipping
Baby Just close your eyes
It will be over soon

'LAY DOWN YOUR HEAD'

Help me out
This is such a dark place
My dreams become nightmares
And I fall deeper

At the end of my rope
I can't hold on any longer
All my strength is gone
My fingers are slipping
Baby Just close your eyes
It will be over soon

'Rawwr'

Why do I stand in dark allies
With sun glasses
It must be I don't want to see you
Why do I stand in
dark allies
With sun glasses
It must be I don't want to see you

Just clothes your eyes
This is useless
The moon will set

And this will all be over
Just clothes your eyes
This is useless
The moon will set
And this will all be over
