I don't know why
Anytime you're around
I just can hide this feeling that I have inside
You'd better take the chance
This could be our special dance
You and me together through the night upon a shining
Star

Don't know why
Don't know why
Why this time
It's so fine
You and I
You're my kind
Can't deny
I'll fly

I don't know why
Anytime you're around
I can't resist your charm
You can't imagine how
You'd better take this chance
Don't go with someone else
Let me be the one that makes you laugh until the
Morning light

Don't know why
Don't know why
Why this time
It's so fine
You and I
You're my kind
Can't deny
I'll fly

Don't know why

Why don't you take a chance
And (*) I never felt this way
There's nothing I want more
This time I know for sure

You really dim my eyes

Why don't you close your eyes
And open up your heart
It's easy if you try
Forever and ever
You'll be mine

Don't know why
Don't know why
Why this time
It's so fine
You and I
You're my kind
Can't deny
I'll fly
