You see it's coming but you can't look past it  
You know it's useless but you keep on asking  
So take the time and take the life I've been given  
I need a different rhythm

We all, We all, Belong down here  
We all, We all, Belong down here

I get this feeling I have lost all feeling  
Sneaky suspicion that you're very cunning  
Add up these bodies you got nothing to show for an  
insatiable hunger

We all, We all, Belong down here  
We all, We all, Belong down here

It all happened so fast but nothing ever came of it, not  
yet  
Soon enough you've forgotten  
I couldn't wait to bury this

When I was just a bag of bones,  
I ran away from home  
Uh oh, I've got nowhere to go  
And as we slowly stroll along sacred alleys of the  
charmed  
Uh oh, I think we've gone too far
