Come back when you grow up, girl
You're still livin' in a paper-doll world
Livin' ain't easy, lovin's twice as tough
So come back, baby, when you grow up

You look real good like a woman now
Your mind hasn't gotten the message somehow
So if you can't take it and the goin' gets rough
Come back, baby, when you grow up

I want you girl but your wide-eyed innocence
Has really messed up my mind, yeah
I'd rather you get your very first heartbreak
Somewhere else along the line

Come back when you grow up, girl
You're still livin' in a paper-doll world
Some day be a woman ready to love
Come back, baby, when you grow up

Come back when you grow up, girl
You're still livin' in a paper-doll world
Livin' ain't easy, lovin's twice as tough
So come back, baby, when you grow up

Come back when you grow up, girl
You've still got a lotta time left in the world
You'll some day be a woman ready to love
Come back, baby, when you grow up

Come back when you grow up, girl
You're still livin' in a paper-doll world
Livin' ain't easy, lovin's twice as tough
So come back, baby, when you grow up

Come back when you grow up, girl
You're still livin' in a paper-doll world
Livin' ain't easy, lovin's twice as tough
So come back, baby, when you grow up
