Number one (number one)
Was just a small town hick
Number two (number two)
Was my best friend named Dick
Number three (number three)
She called him Doc, that's me

Hickory, Dick, and Doc
She called us
We chased her around the clock
Night and day
Hickory, Dick, and Doc
Thought she loved us
Until we heard her say

They're just like three blind mice
Three blind mice
See how they run after me
Hickory, Dick, and Doc
Around the clock
See how they run after me

Number one (number one)
Well, I never cared much for him
Number two (number two)
Well, he's no longer my best friend
Number three (number three)
I've gotta keep her love from them

Hickory, Dick, and Doc
She called us
We chased her around the clock
Night and day
Hickory, Dick, and Doc
Thought she loved us
Until we heard her say

They're just like three blind mice
Three blind mice
See how they run after me
Hickory, Dick, and Doc
Around the clock

See how they run after me

Three blind mice
Three blind mice
See how they run
See how they run

Three blind mice
Three blind mice...
