Da da da da...

I'll make you mine, yes, I will  
Just give me a little time  
All of the words that I wanna say  
Are hard to find

I'll make you mine, yes, I will  
Just give me a little time  
To let you know how I really feel  
And make you mine

I'm not the kind of guy who'll  
Say a lot of fancy things that  
Sweep you off your feet before  
You even know what's happening but

I'll make you mine, yes, I will  
Just give me a little time  
All of the words that I wanna say  
Are hard to find

Da da da da...

I'm not the kind of guy who'll  
Say a lot of fancy things that  
Sweep you off your feet before  
You even know what's happening but

I'll make you mine, yes, I will  
Just give me a little time  
To let you know how I really feel  
And make you mine

Da da da da...

Just wait a little while  
Then I'll find a way to tell you  
You're gonna be my girl  
Then I'm gonna build my world around you

I'll make you mine, yes, I will  
Just give me a little time  
All of the words that I wanna say  
Are hard to find

Da da da da...
