If you've found another guy who  
Satisfies you more than I do  
Run to him  
I'll step aside  
If you think his lips can kiss you  
Better than my lips can kiss you  
Run to him  
Forgive my pride  
If someone else's arms can hold you  
Better than my arms can hold you  
Go to him  
And show to him  
All your devotion  
If somebody else can make you  
Happier than I can make you  
Run to him  
My tears will dry  
If someone else's arms can hold you  
Better than my arms can hold you  
Go to him  
And show to him  
All your devotion  
If somebody else can make you  
Happier than I can make you  
Run to him  
My tears will dry  
If you feel you want to love me  
I'd be more than glad to love you  
Love you till your life is done  
But darling, if I'm not the one  
Then run to him
