Sharing you
I know I'm sharing you
I'm not the only one
Who's in your heart

When I'm with you
Your love belongs to me
But you have someone else
When we're apart

There are two of to kiss you
Two of us to miss you
And two of us to wish
There were two of you

And though it hurts me so
To go on sharing you
I know my helpless heart
Just can't be free

But even though I must keep sharing you
You know you'll never be sharing me
Oh, no, you'll never be sharing me
Ah, ah, you'll never be sharing me
