With The Shadows

Suzie, baby, where are you
Have you left me for someone new

Is your lovelight shining bright
Will you love me or leave me tonight

Suzie, baby, don't you know
That I love you and want you so

Come back, baby, come back home
Say you love me and never again roam

Suzie, baby, I love you
Say you'll come back and love me too

Since you left me, gone away
I've been lonely, alone each day

Suzie, baby, where are you
Have you left me for someone new

Suzie, baby, don't you know
That I love you and want you so

Someday, baby, you'll be blue
And you'll wish that you'd
Die for me too
